Dear Members,

As you may be aware, EPCES has again engaged the services of M/s Grant Thornton as knowledge partner for FY 2023-24 again for answering to your queries related to Indirect taxes, SEZ Act / Rules/ Instructions, EOUs , Foreign Trade Policy, etc.

However, it has been noticed that there is a lack of awareness about this facility and number of queries in the past have been less (about 15-16 per month).

You are requested to make the most of this service.

You may email your queries to the email id – query@epces.in

GT Team will try to reply to your queries within 24 hours. If it requires some clarifications from members, GT Team will ask information from members.

The queries replied earlier have been placed on EPCES website and are also published in the EPCES@NEWS magazine every quarter for the benefit of all members.

You may also submit your query, problem, suggestions, if any, at <https://www.epces.in/enquiry-form.php>

Please take advantage of EPCES news magazine, latest events, different circulars and updates on EPCES website at <https://www.epces.in/> and follow EPCES on twitter at <https://twitter.com/dgepces> for regular updates

EPCES welcomes your suggestions for improving the functioning of EPCES to serve you better.

With best wishes

Team EPCES
