FOREWORD

EPCES had published a Special Bulletin of SEZ Trade for 2022-23. It was followed by the first edition of monthly SEZ trade bulletin for combining the date for April and May. This is the monthly edition for SEZ data for June. Now it is being published on monthly basis.

This publication of SEZ Trade bulletin is following the advice of Commerce Secretary in his letter to Chairman EPCES dated 2.1.2023 (copy attached) for setting up of a Research Cell within the EPC that would regularly feed into policy inputs and to facilitate the EPCES to as a nodal point to frequently interact with the Department of Commerce and line Ministries /Departments.

Accordingly, EPCES has set up a Research Cell. On the request of EPCES, D/o Commerce has requested NSDL/SEZ Online and DGCIS to make SEZ and EOU data to EPCES. Presently, data in respect of SEZs has been made available by NSDL/ SEZ Online. In fact, data in respect of SEZ as well as EOUs is available with DGCIS because NSDL also sends data in respect of SEZs to DGCIS It is expected that the data both in respect of SEZs and EOUs will be made available by DGCIS to EPCES soon.

Based on the present data made available from NSDL in respect of SEZs, an initial attempt has been made by EPCES regarding the monthly analysis of country-wise, commodity wise EXIM data. Data in respect of exports of Services has also been analysed. Based on the suggestions from stakeholders and the availability of data, the analysis will be further refined and presented.

EPCES is grateful to NSDL/SEZ Online for making available the data in respect of SEZs.

D.O. No. K-12011/1/2020-EPL1

2nd January 2023

Dear Shri Seth,

The global economy is innately tied to trade, and trade has grown remarkably, completely transforming the global economy. Moreover, about 70% of international trade today involves Global Value Chains (GVCs), as services, raw materials, parts, and components cross borders – often numerous times.

2. The emergence and persistence of GVCs significantly changes how we develop trade policy. Success in international markets today depends as much on the capacity to import world class inputs as it does on the capacity to export. As such, role of EPCs should not be limited to export promotion alone and it should look at trade in a broader and more comprehensive manner.

3. In this regard, we would encourage EPCs to closely monitor international trade, particularly export decline, import surge, market diversification opportunities, global import demand and prospects, and avenues for GVC participation etc.

4. EPCs may consider developing a Research Cell with more intensive research and market intelligence capabilities within the EPCs that would regularly feed into policy inputs and to facilitate as the nodal point to frequently interact with Department of Commerce and line Ministries/Departments.

5. I am looking forward to your timely response and continuous cooperation in this initiative.

With regards,

Yours sincerely,

[Sunil Barthwal]

Shri Bhuvnesh Seth

HIGHLIGHTS OF SEZ TRADE DURING APRIL - JUNE 2023

- In June 2023, total exports of Goods and Services from SEZs declined by 7%, exports of Goods declined by 20% whereas export of Services increased by 2%. Sale of Goods to DTA from SEZs increased by 39%. Cumulatively during 2023-24, exports of Goods and Services from SEZ declined by 12%, exports of Goods declined by 22%, export of Services by 3%. Sale of Goods to DTA from SEZs declined by 16%.
- In June 2023, imports of Goods from SEZs declined by 9%. Procurement of Goods from DTA by SEZs increased marginally by 1%. Cumulatively during 2023-24, imports of Goods from SEZs declined by 10%. Procurement of Goods from DTA by SEZs declined by 19%.

GOODS (APRIL - JUNE 2023)

- During Apr-June 2023 exports of Goods were 66% of total production of Goods and sale of Goods to DTA was 34%.
- During Apr-June 2023 imports of Goods were 74% of total purchase of Goods and procurement of Goods from DTA was 26%.
- Highest exports of Goods were from Kandla Zone constituting 58.2% of total exports of Goods, which declined by 33%. Next was Vishakhapatnam zone constituting 12.5% of total export of Goods which increased by 20%.
- Highest exports of Goods were for Petroleum Products constituting 46% of total exports of Goods from all groups/sectors, which declined by 32%. Next was for Engineering Goods constituting 13% of total export of Goods which declined by 9%.
- Highest export of Goods was from Reliance Jamnagar SEZ constituting 47% of total export of Goods which declined by 33%. The next highest was from SEEPZ SEZ constituting 5% of total export of Goods which declined by 11%.
- Highest exports of Goods were to USA constituting 23% of total exports which declined by 4%. Next highest destination of exports was Netherlands constituting 8% of total exports of Goods which increased by 83%.
- In case of USA, highest exports were of HS code 27101290 (Light Oil and preparations: Other), constituting 23% of total exports to USA, which decreased by 9%. Second highest exports to USA were of HS code 30049049 (Other anticancer drugs) constituting 10% of total exports to USA, which increased by 912%.
- At 8 digit level, highest export was of Automotive diesel fuel (HS code 27101944) constituting 25% of total exports which declined by 25%. The next highest export of Goods was of HS code 27101241 (Motor Gasoline) constituting 13% of total exports of Goods which declined by 25%.
- In case of exports of Automotive diesel fuel (HS code 27101944), highest exports were to Netherlands constituting 27% of total exports of Automotive diesel fuel, which increased by 172%. Second highest exports were to Australia constituting 19% of total exports of Automotive diesel fuel which increased marginally by 1%.

- Highest imports of Goods were for Petroleum, Crude and Products constituting 34% of total imports of Goods from all groups/sectors, which declined by 28%. Next highest imports was of Gold constituting 26% of total imports of Goods which increased by 13%.
- Highest imports of Goods were from Switzerland constituting 19% of total imports which increased by 62%. The next highest imports of Goods were from Russia constituting 17% of total imports which increased by 65%.
- In case of Switzerland, highest imports were of HS code 71081200 (Other Non-Monetary Unwrought forms of Gold), constituting 99% of total imports from Switzerland, which increased by 63%.
- At 8 digit level, highest import was of HS code 71081200 (Other Non-Monetary Unwrought forms of Gold) constituting 26% of total imports which increased by 14%. The next highest import was of HS code 27090010 (Petroleum Crude) constituting 25% of total imports which declined by 22%.
- In case of imports of HS code 71081200 (Other Non-Monetary Unwrought forms of Gold), highest imports were from Switzerland constituting 73% of total imports of HS code 71081200 (Other Non-Monetary Unwrought forms of Gold), which increased by 63%. Second highest imports were from South Africa constituting 18% of total imports of HS code 71081200 (Other Non-Monetary Unwrought forms of Gold) which declined by 30%.
- Highest DTA Sales were from Vishakhapatnam zone constituting 42% of total DTA sales which declined by 19%. Kandla Zone was next with 38% of total DTA sales which declined by 18%.
- Highest DTA Procurements were from Kandla Zone constituting 45% of total DTA procurement which declined by 32%. Falta Zone was next with 20% of total DTA procurement which declined by 2%.

SERVICES (APRIL - JUNE 2023)

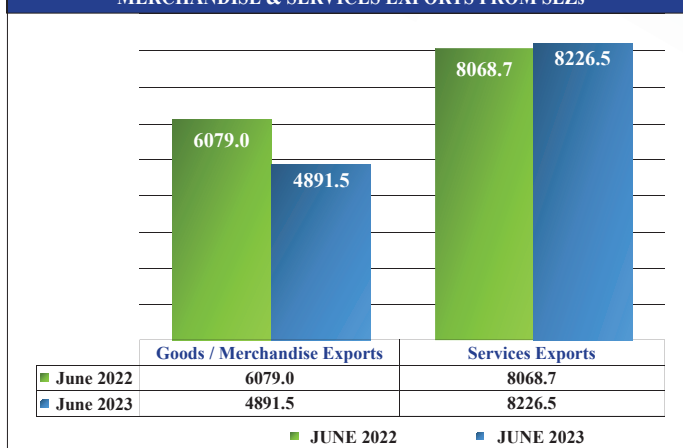

- Highest exports of Services were from Cochin Zone constituting 28% of total export of Services which declined by 9%. Next was from MEPZ zone constituting 19% of total export of Services which declined by 5%.
- Highest exports of Services were to USA constituting 51% of total exports which declined by 5%. Next highest was to UK constituting 18% of total exports which increased by 13%.
- In case of USA, highest exports of Services were of IT design and development Services, constituting 43% of total exports of Services to USA, which increased by 8%. Second highest exports of Services to USA were of Other IT Services constituting 22% of total exports of Services to USA, which also increased by 5%.
- Highest export was of IT design and development Services constituting 44% of total exports of Services which increased by 6%. The next was that of Other Information Technology Services constituting 19% of total export of Services which also increased by 7%.
- In case of exports of IT design and development Services, highest exports were to USA constituting 50% of total exports of IT design and development Services, which increased by 8%. Second highest exports were to UK constituting 16% of total exports of IT design and development Services which increased by 30%.
- Highest export of Services was from MIDC Pune SEZ constituting 5% of total export of Services which increased by 17%. The next highest was from Tata Consultancy Services, Siruseri, Kancheepuram District SEZ constituting 3% of total export of Services which declined by 11%.

Monthly Trade Bulletin

Export Promotion Council for EOUs & SEZs (EPCES) is a multi-product Export Promotion Council set up by the Ministry of Commerce and Industry in January 2003, representing the interests of SEZ units, SEZ developers and Export Oriented Units. It has more than 5300 members with 4100 SEZ units, 350 SEZ developers and 850 EOUs. In FY 2022-23, total exports of goods and services from SEZs were recorded at US\$ 155 billion which is about 20.8 % of India's total exports of goods and services at US\$ 745.3 billion. Exports of goods from SEZs were at US\$ 61.6 billion constituting 13.7% of India's total exports of goods at US\$ 450.4 billion while export of services were US\$ 94.2 billion constituting 31.9% of India's total exports of services at US\$ 294.9 billion. There are about 5655 units functioning in 272 operational SEZs providing an employment of 28.69 lakh persons with a total investment of about Rs 6.5 lakh cr.
