SPECIAL EDITION

## Annual SEZ

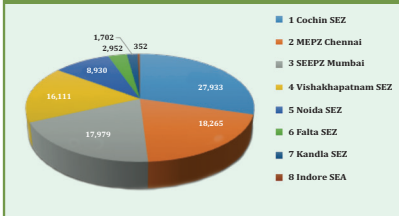

### Trade Bulletin

2022-23

EXPORT AND IMPORT OF GOODS AND SERVICES FROM SEZs

EXPORT OF SERVICES -  
ZONE-WISE EXPORTS (USD MILLIONS)

It was observed that while EXIM data is available for the entire country and released by the D/o Commerce and is available on the website of the Department, however, not much information is available in the public domain regarding Special Economic Zones except a Fact Sheet. Absence of basic data and its analysis in respect of SEZs of EOUs was creating a void and it is not good for policy interventions as well.

Commerce Secretary in his letter to Chairman EPCES dated 2.1.2023 for setting up of a Research Cell and Market Intelligence Capabilities within the EPC that would regularly feed into policy inputs and to facilitate the EPCES to as a nodal point to frequently interact with the Department of Commerce and line Ministries /Departments.

One of the important requirement for the effective functioning of the Research Cell is timely availability of data for the entire ecosystem of SEZs and EOUs. SEZ data is available with NSDL/SEZ Online system. Therefore, D/o Commerce was requested that the following SEZ data covering the entire eco-system of SEZ may be made available to the EPCES on a monthly basis

- I. Exports from SEZs
- II. Sale from SEZs to Domestic Tariff Area (DTA)
- III. Imports by SEZs
- IV. Procurement from DTA by SEZs

Accordingly, D/o Commerce has requested NSDL/SEZ Online to make above SEZ data to EPCES. As regards data in respect of EOUs is concerned, the same is available with DGCIS. DGCIS and the D/o Commerce has been requested for the same as well. D/o Commerce has requested DGCIS to make the same available to EPCES. However, some data dissemination policy issues are under consideration and it is expected that the same will be made available soon.

Based on the data, an initial attempt has been made by EPCES regarding the analysis of data. A comparison with the previous years could not yet been made as the detailed data is not yet available about the previous years. Based on the suggestions from stakeholders and the availability of data, the analysis will be further refined and presented. This is Annual Data for 2022-23. EPCES plans to issue monthly data analysis based on the availability of data.

EPCES is grateful to NSDL/SEZ Online for making available the data in respect of SEZs.

D.O. No. K-12011/1/2020-EPL1

2<sup>nd</sup> January 2023

Dear Shri Seth,

The global economy is innately tied to trade, and trade has grown remarkably, completely transforming the global economy. Moreover, about 70% of international trade today involves Global Value Chains (GVCs), as services, raw materials, parts, and components cross borders – often numerous times.

2. The emergence and persistence of GVCs significantly changes how we develop trade policy. Success in international markets today depends as much on the capacity to import world class inputs as it does on the capacity to export. As such, role of EPCs should not be limited to export promotion alone and it should look at trade in a broader and more comprehensive manner.

3. In this regard, we would encourage EPCs to closely monitor international trade, particularly export decline, import surge, market diversification opportunities, global import demand and prospects, and avenues for GVC participation etc.

4. EPCs may consider developing a Research Cell with more intensive research and market intelligence capabilities within the EPCs that would regularly feed into policy inputs and to facilitate as the nodal point to frequently interact with Department of Commerce and line Ministries/Departments.

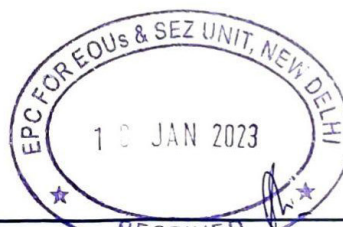

5. I am looking forward to your timely response and continuous cooperation in this initiative.

With regards,

Yours sincerely,

  
[ Sunil Barthwal ]

**Shri Bhuvnesh Seth**  
**Chairman**  
Export Promotion Council for EOUs & SEZs  
Flat No. A-101, 10<sup>th</sup> Floor, Himalaya House  
23, Kasturba Gandhi Marg  
New Delhi -110001

## Export Promotion Council for EOUs & SEZs

(Setup by Ministry of Commerce, Government of India)

A-101, 10<sup>th</sup> Floor, Himalaya House, 23, Kasturba Gandhi Marg, New Delhi-110001

Tel: 011-23329770

Email: dg@epces.in Web: www.epces.in

**Alok Chaturvedi**  
Director General

EPC/SEZ/AM19/A-14

**16<sup>th</sup> February, 2023**

Dear Sir,

This is regarding your DO No K-12011/1/2020-EPL1 dated 2.1.2023 regarding your excellent suggestion of setting up of a Research Cell with intensive research and market intelligence capabilities within the EPCs that would regularly feed into policy inputs and to facilitate as the nodal point to frequently interact with the Department of commerce and line Ministries/Departments.

2. Following your suggestion, EPCES has set up a Research Cell with a few interns and advisors (honorary as well as paid). One of the important requirement for the effective functioning of the Research Cell in EPCES is timely availability of data for the entire ecosystem of SEZs and EOUs. In due course, we should also include units under MOOWR as well as they are also units functioning under Bonded Warehouses.

3. SEZ data is available with NSDL/SEZ Online system. It is requested that the following data may be made available to the EPCES Research Cell on a monthly basis:

- i) Exports from SEZs
- ii) Supply from SEZs to DTA
- iii) Imports by SEZ
- iv) DTA procurement by SEZs

This data should be made available HS Code wise (for (i) to (iv), country-wise (for export and import), the way it is provided by the DGCIS/NIC on the D/o Commerce website (<https://tradestat.commerce.gov.in/meidb/default.asp>), so that proper analysis could be made. EPCES would be willing to analyse the data in above formats if raw data is made available hiding the confidential pricing and commercial details.

4. EOU data is not available readily. This is also required as is the case with SEZ (for (i) to (iv) in para 3 above – Exports/Imports from EOUs, Supply from EOUs to DTA and DTA procurement by EOUs). This can be made available by DGCIS using scheme code (21) for export promotion scheme. DGCIS should be requested to make the above data in respect of EOUs made available on monthly basis. Similar information may be made available in respect of MOOWR scheme as well.

5. It is also requested if some grants can be made available to partially (65%) meet the cost of setting up and running Research Cell under Market Access Initiative Scheme.

6. In view of the above, NSDL/SEZ Online and DGCIS may be requested to make available information requested in para 3 and 4 above. Request in para 4 may also be considered favourably.

With regards,

Yours

  
  
(Alok Chattervedi) 16/07/2023

**Shri Sunil Barthwal**  
Secretary  
Dept. of Commerce  
Ministry of Commerce and Industry  
New Delhi

# Annual SEZ Trade Bulletin 2022-2023

Export Promotion Council for EOUs & SEZs (EPCES) is a multi-product Export Promotion Council set up by the Ministry of Commerce and Industry in January 2003, representing the interests of SEZ units, SEZ developers and Export Oriented Units. It has more than 5300 members with 4100 SEZ units, 350 SEZ developers and 850 EOUs. In FY 2022-23, total exports of goods and services from SEZs were recorded at US\$ 155 billion which is about 20.8 % of India's total exports of goods and services at US\$ 745.3 billion. Exports of goods from SEZs were at US\$ 61.6 billion constituting 13.7% of India's total exports of goods at US\$ 450.4 billion while export of services were US\$ 94.2 billion constituting 31.9% of India's total exports of services at US\$ 294.9 billion. There are about 5655 units functioning in 272 operational SEZs providing an employment of 28.69 lakh persons with a total investment of about Rs 6.5 lakh cr.
