EPCES Circular No.445

07th March, 2023

Sub: GSTN launches e-Invoice registration services with private IRPs

Dear Member (s),

The Goods and Services Tax Portal on March 04, 2023, issued a notification on launching e-invoice registration services with private IRPs.

Four private companies viz. Clear Tax, Cygnet, E&Y, and IRIS Business Ltd were empaneled by GSTN for providing these e-invoice registration services to all GST taxpayers of the country. The details of the existing and new IPRs are available at <https://einvoice.gst.gov.in/einvoice/dashboard>

The taxpayers now have a choice of more than one IRP (earlier being the only single portal of NIC), which they can use to register their e-invoices. This adds significant capacity and redundancy to the existing single e-invoice registration portal.

The end-to-end flow of a digitally signed e-invoice between sellers and buyers by integration with the GST system will lead to ease of compliance for the taxpayers. It will also lead to the facilitation of auto-drafting and auto-populating of invoice details in the GST returns which would lead to increased accuracy, the correctness of supplies reporting, and availing of ITC by the recipients of the supply.

Thanks & Regards,

Team, EPCES
