Three neighbouring provinces of Ninh Thuan, Phu Yen and Binh Dinh, will also join this event.

The objective behind hosting the event is to develop connections/ interactions between entrepreneurs of India with the four provinces in areas of trade, investment, and cooperation in tourism, education, healthcare and IT. The two-and-half-days events will see participation by senior leaders from the Provinces and Central Government. The Indian companies can explore opportunities for business and partnership with local counterparts during the event.
