Circular No.395

April 25th, 2022

Dear Member(s),

Sub: Reimbursement of expenditure incurred by exporters on Statutory Compliances under MAI Scheme

This is regarding a provision in the Market Access Initiative (MAI) Scheme of the Department of Commerce, MOC&I, GOI, wherein the expenses incurred by exporters on Statutory Compliances for certain industries/sectors required for exports are eligible for reimbursement.

The Government of India has allowed a **reimbursement of 50%** of the incurred charges to the extent of Rs. 2.00 Crores per annum per exporter, for carrying out Statutory Compliances under the MAI Scheme. The applications had to be directly filed with EPCES for processing and forwarding to the Government.

The details of the eligible expenses are hereby enclosed for your reference. This is indeed a major step taken by the Government to promote exports from India. Hence the charges incurred by the exporters with regard to statutory compliances undertaken/done in India/abroad for exporting of their products/services to foreign markets, will be covered under this provision of the scheme. For serving the exporters, EPCES is in process of implementation of the scheme and need few pieces of information from its member exporters. In case you are interested to avail the benefits, please fill out the details below:

S.No.	Firm Name and contact person with contact details	IEC Code	Industry/ Sector	Category of expenses i-xiv (please refer attached file)	Remarks, if any

For any queries, please write to epces@epces.in / ddg@epces.in / dg@epces.in

We are looking forward to hearing from you soon.

Regards
EPCES
