FOREWORD

Even though the trade (Export Import) data is made available by D/o Commerce on its website, no separate data was publicly available in respect of Special Economic Zones (SEZs) and Export Oriented Units (EOUs).

Commerce Secretary in his letter to Chairman EPCES dated 21.2.2023 (copy attached) advised EPCs for setting up of a Research Cell within the EPC that would regularly feed into policy inputs and to facilitate the EPCES to as a nodal point to frequently interact with the Department of Commerce and line Ministries /Departments.

Accordingly, EPCES set up a Research Cell and requested D/o Commerce to advice NSDL/SEZ Online and DGCIS to make SEZ and EOU data to EPCES. EPCES started getting EXIM data in respect of SEZs and EOUs from NSDL and DGCIS office.

This has enabled EPCES to start publishing monthly trade bulletin in respect of SEZs and EOUs. As the migration of SEZ units w.r.t. trade transactions from NSDL/SEZ online to ICEGATE started from July 2024, the partial data was available with NSDL/SEZ online and balance with DGCI&S, thus, there has been a delay in compilation of complete data from both the sources. After due examination by DGCI&S, the data has been made available till April 2026 in respect of SEZs and till February 2026 for EOUs.

Based on the present data made available from DGCI&S, an attempt has been made by EPCES regarding publication of monthly trade bulletin regarding the monthly analysis of country-wise, commodity wise EXIM data. Data in respect of exports of Services has also been analysed. Based on the suggestions from stakeholders and the availability of data, the analysis will be further refined and presented.

EPCES is grateful to DGCI&S for making available the data.

D.O. No. K-12011/1/2020-EPL1

2nd January 2023

Dear Shri Seth,

The global economy is innately tied to trade, and trade has grown remarkably, completely transforming the global economy. Moreover, about 70% of international trade today involves Global Value Chains (GVCs), as services, raw materials, parts, and components cross borders – often numerous times.

2. The emergence and persistence of GVCs significantly changes how we develop trade policy. Success in international markets today depends as much on the capacity to import world class inputs as it does on the capacity to export. As such, role of EPCs should not be limited to export promotion alone and it should look at trade in a broader and more comprehensive manner.

3. In this regard, we would encourage EPCs to closely monitor international trade, particularly export decline, import surge, market diversification opportunities, global import demand and prospects, and avenues for GVC participation etc.

4. EPCs may consider developing a Research Cell with more intensive research and market intelligence capabilities within the EPCs that would regularly feed into policy inputs and to facilitate as the nodal point to frequently interact with Department of Commerce and line Ministries/Departments.

5. I am looking forward to your timely response and continuous cooperation in this initiative.

With regards,

Yours sincerely,

[Sunil Barthwal]

Shri Bhuvnesh Seth
Chairman
Export Promotion Council for EOUs & SEZs

SEZs

April 2026

HIGHLIGHTS OF SEZ TRADE DURING APRIL 2026

- In April 2026, total exports of Goods and Services from SEZs increased by 34%, exports of Goods increased by 75% and export of Services increased by 10% as compared to same period last fiscal.
- In April 2026, imports of Goods in SEZs increased by 32%.

Goods (April 2026)

- The highest exports of Goods were from Kandla Zone constituting 69% of total exports of Goods, which increased substantially by 136% when compared to the same period last fiscal. Next was SEEPZ Zone constituting 7% of total export of Goods which increased substantially by 40%.
- The highest exports of Goods were for Petroleum Products constituting 63% of total exports of Goods from all groups/sectors, which increased substantially by 139%. Next was for Engineering Goods constituting 10% of total export of Goods which increased substantially by 37%.
- In case of exports of Petroleum Products, highest exports were to Singapore constituting 29% of total exports of Petroleum Products, which spiralled by 3601%. Second highest exports were to Tanzania constituting 15% of total exports of Petroleum Products which exhibited a multi-fold growth of 243%.
- The highest exports of Goods were from Reliance Jamnagar SEZ constituting 62% of total export of Goods which increased substantially by 151% when compared to the same period last fiscal. The next highest was from Vedanta Aluminium Ltd. SEZ constituting 5% of total export of Goods which exhibited a substantial increase of 63%.
- The highest exports of Goods were to Singapore constituting 19% of total exports which spiralled by 2057% when compared to same period last fiscal. Next highest destination of exports was USA constituting 14% of total exports of Goods which increased by 10%.
- In case of Singapore, highest exports were of Petroleum Products, constituting almost 97% of total exports to Singapore, which spiralled by 3601%. The highest exports to USA were of Petroleum Products constituting 30% of total exports to USA, which increased by 3%.
- The highest imports of Goods were for Petroleum, Crude and Products constituting 31% of total imports of Goods from all groups/sectors, which increased substantially by 36%. Next highest imports were of Gold constituting 26% of total imports of Goods which increased substantially by 83%.
- In case of imports of Petroleum, Crude and Products, highest imports were from UAE constituting 27% of total imports of Petroleum, Crude and Products, which spiralled by 727%. Second highest imports were from Saudi Arabia constituting 25% of total

imports of Petroleum, Crude and Products which increased substantially by 176%.

- The highest imports of Goods were from UAE constituting 22% of total imports which increased substantially by 103%. The next highest imports of Goods were from Saudi Arabia constituting 11% of total imports which exhibited a multi-fold growth of 281%.
- In case of UAE, highest imports were of Gold constituting 53% of total exports to UAE, which increased substantially by 117%. Second highest imports to UAE were of Petroleum, Crude and Products constituting 39% of total exports to USA, which spiralled by 727%.

Services (April 2026)

- The highest exports of Services were from Cochin Zone constituting 29% of total export of Services which increased by 21%. Next was from MEPZ Zone constituting 21% of total export of Services which increased by 24%.
- The highest exports of Services were to USA constituting 52% of total exports which increased by 20%. Next highest was to UK constituting 18% of total exports which declined by 4%.
- In case of USA, highest exports of Services were of IT design and development Services, constituting 44% of total exports of Services to USA, which increased substantially by 48%. Second highest exports of Services to USA were of Other information technology services n.e.c constituting 20% of total exports of Services to USA, which increased by 20%.
- The highest export was of IT design and development Services constituting 41% of total exports of Services which increased by 28%. The next was that of Information Technology Consulting and Support Services constituting 19% of total export of Services which declined by 12% when compared to same period last fiscal.
- In case of exports of IT design and development Services, highest exports were to USA constituting 55% of total exports of IT design and development Services, which increased substantially by 48%. Second highest exports were to UK constituting 13% of total exports of IT design and development Services which increased by 9%.
- The highest export of Services was from MIDC Pune SEZ constituting 5% of total export of Services which increased by 23%. The next highest was from Primal Projects Pvt. Ltd. SEZ constituting 4% of total export of Services which increased substantially by 147%.

Monthly Trade Bulletin

Export Promotion Council for EOUs & SEZs (EPCES) is a multi-product Export Promotion Council set up by the Ministry of Commerce and Industry in January 2003, representing the interests of SEZ units, SEZ developers and Export Oriented Units. It has about 6500 members with more than 5100 SEZ units, 400 SEZ developers and 1000 EOUs. In F.Y. 2025-26, total exports of goods and services from SEZs were recorded at US\$ 183.1 billion. Exports of goods from SEZs were at US\$ 70.8 billion constituting 16% of India's total exports of goods at US\$ 441.8 billion and export of services were at US\$ 112.3 billion constituting 27% of India's total exports of services at US\$ 418.3 billion. There are about 6695 units approved in 276 operational SEZs providing an employment to 31.77 lakh persons with a total investment of about Rs 7.82 lakh cr.
